

Consent Form

RPI EventHub Usability Study Consent Form

You are invited to participate in a usability study conducted by the RPI EventHub team. The purpose is to evaluate how easy and effective it is to use our platform for discovering and promoting student events.

Your participation is voluntary, and you may withdraw at any time. With your permission, we will record your screen and voice during this session. Your identity will remain confidential, and your data will be used solely for research and development purposes.

By signing below, you agree to participate in this study and allow recording for research purposes.
